2004 Honda VT750 Shadow Aero Motorcycle Specs

The heart of the beast hasn't changed much from that of its forebears. Honda's new 2004 Aero inherits an updated version of the six-valve 745cc V-twin that powered the two retired 750s. That design brings a single overhead camshaft, two spark plugs per cylinder and three valves per cylinder.

2004 Honda Shadow Aero 750 | Motorcycle Cruiser

The retro Shadow Aero features a powerful 750cc v-twin engine, very low seat height, shaft drive and the full-sized looks and performance of classic cruiser styling from days of old. You won't find a cruiser with more for less — anywhere.

Bestselling author Robert K. Tanenbaum astonishes readers with Fury, his most explosive book yet in the staggeringly popular Butch Karp/Marlene Ciampi series. In Brooklyn, a female jogger is brutally raped; the assailants are convicted and later exonerated by the Kings County DA. Now the guilty are filing a multimillion-dollar lawsuit against the city of New York, the police, and the two assistant DAs who tried the case. While the cops and the criminal justice system are under media assault and opportunist political demagoguery, Karp has suspicions that there is corruption within his own office. Against a backdrop of Russian mobsters and corrupt lawyers, Butch and Marlene are on a mission to restore the system's lost dignity and bring the rapists to justice. All the while terrorists are at it again, planning to blow the roof off Times Square on New Year's Eve. Alas, the Karp family finds itself in lethal jeopardy, and to survive, they must team up and fight their greatest battle yet. Robert K. Tanenbaum has written a mindboggling thriller involving a web of corruption and courtroom confrontations. Fans of Butch Karp, as well as the classic New York crime drama, will find plenty to sink their teeth into with Fury.

With a Haynes manual, you can do it yourself â ? → ç from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the motorcycle.
