A Little Bit of Hot (Out of Uniform, book 5.5) by Elle Kennedy

A Little Bit Hot is the short prologue to Elle Kennedy's last book in the Out of Uniform Series, As Hot As It Gets. It's not necessary to read A Little Bit Hot prior to reading As Hot As It Gets, but it just adds a little extra to the story. A Little Bit Hot shows the trouble Jackson "Texas" Ramsey goes to to find the perfect woman.

A sexy short story from New York Times and international bestselling author Elle Kennedy! Getting dirty? He ' s down with that. At twenty-eight, Jackson Ramsey is more than ready for marriage and a couple of rugrats. Instead, his SEAL teammates have all found love, while he ' s still playing the field. When his friends offer to set him up, Jackson figures what the hell? It ' s not as if he has anything to lose, right? But the one woman he has sparks with—his neighbor ' s smart, sassy, green-eyed gardener—wants nothing to do with him. Luckily, a Navy SEAL knows a thing or two about the art of pursuit... Warning: This very short freebie does not include a happily ever after. Be prepared to commiserate with a sexy SEAL on his journey for love. But don ' t worry—he ' ll find it soon in As Hot As It Gets!

If you ask the average woman how much sizzle there is in her marriage, she'll probably answer, "Not enough!" Being a mom is overwhelming, and it's easy for moms to slip into the habit of allowing responsibilities for kids, work, and church to interfere with their relationship with their husbands. They don't have the energy or the ideas they need to have a spicy, satisfying sex life. Hot Mama to the rescue! Kathi Lipp and Erin MacPherson set out on a mission to find out what it takes for busy moms to feel confident and sexy. In this witty book, they share hilarious stories and creative ideas from moms all over the country that will help readers build a relationship with their spouse that's happy, healthy, and fun. From building confidence and banishing guilt to flirting (remember that?) and wearing clothes that make you--and him--feel hot, Kathi and Erin offer women all the encouragement, motivation, and know-how they need to take their sex lives from ho-hum to hot.

A note is left on a car windshield, an old dog dies, and Kent Nerburn finds himself back on the Lakota reservation where he traveled more than a decade before with a tribal elder

named Dan. The touching, funny, and haunting journey that ensues goes deep into reservation boarding-school mysteries, the dark confines of sweat lodges, and isolated Native homesteads far back in the Dakota hills in search of ghosts that have haunted Dan since childhood. In this fictionalized account of actual events, Nerburn brings the land of the northern High Plains alive and reveals the Native American way of teaching and learning with a depth that few outsiders have ever captured.

Over 400 recipes including ways to increase the recipes for entertaining. Most of the recipes include the history of the recipe, some of those have been created by the author and some come from the previous 4 generations. Hints on seasoning, entertaining, preparing in bulk and freezing. Nutrition counts are included for each recipe.

This is a true story about one of many family's life and death in Cambodia during The Khmer Rouge Regime. What we did to survive, to escape to a better place and hope for a better life. We've lost many family members during the bloodshed of The Khmer Rouge. The four of us were very fortunate to survive these ordeals. With luck, faith, perseverance and survival instinct, we've escaped Cambodia and made it to America.

From USA Today bestselling author Lisa Desrochers comes the third book in her sizzling new adult series. If you play with fire ... Tossed out of college and cut off by her parents, Samantha West is in pretty dire straits. So when her rocker best friend hooks her up with a job dancing at a gentlemen's club, who is she to turn it down? Plus, there are rules to dancing at Benny's: No touching, keep your clothes on at all times, and never get closer than three feet. Unfortunately for Sam, her first private client makes her want to break every single one of them. Harrison Yates is scorching hot, but he's got a past that involves being left at the altar not too long ago. Sam is determined to make him forget about his ex, but when she makes her move, it flings her life into a spiral of chaos she never saw coming. Because Harrison Yates isn't who he seems to be. And his secret will probably get her killed.

The team behind Brooklyn 's popular dessert and cocktail bar brings you Butter & Scotch—a “ Dominique Ansel meets Broad City ” boozy look at dessert. At Brooklyn 's Butter & Scotch, everything is made by hand, and seasonal, inventive flavors are created to satisfy any sweet tooth—especially those with a penchant for spirits. In their namesake cookbook, Allison Kave and Keavy Landreth dish up more than 75 recipes for incredible desserts, cocktails, and creations that shake up the traditional approach to booze and sweets. From buttery, cinnamon-y Magic Buns for breakfast to gourmet Hot Toddlies at evening 's end, Butter & Scotch provides recipes for any time of day. The book is packed with popular recipes: world-renowned S ' mores Bars, Dark & Stormy Cocktail Caramel Corn, Pie Milkshakes, Maple Bacon Cupcakes, and yes, even Jell-O shots. In addition to recipes, Kave and Landreth share the basics behind their recipes—the techniques, ingredients, and essential equipment needed to make the desserts and cocktails. They also suggest pairings, offer base recipes for creative experimentation, and tell you exactly how to cook with alcohol. This cookbook combines two things people love to indulge in—confections and cocktails. Butter & Scotch is a grown-up 's dream come true. Also available from Allison Kave: First Prize Pies.

You count a pregnancy by weeks and Kayla Aimee had only ticked off 24 of the 40 when she unexpectedly went into labor. She thought her church upbringing had prepared her for every circumstance but when tragedy struck and threatened to take the life of her newborn daughter, it felt as though once solid ground had turned to glass beneath her feet, destined

to shatter everything she held sacred. When swept into a story of suffering, we all find ourselves vulnerable, questioning everything we thought we knew as we wonder, “ Where is God in this? ” With everything feeling as fragile as her one and a half pound daughter, Kayla finds herself asking that same question as she faces her greatest fear: that she may have finally become a mother just to lose her only child. Both poignant and humorous, *Anchored* recounts Kayla ’ s gripping story of learning to navigate her newfound motherhood in the most unexpected of ways, from holidays in the hospital and middle-of-the-night phone calls to the joy of coming home. With vulnerability and plenty of wit, Kayla lays bare her struggle to redefine her faith, her marriage, and herself within the context of a tragedy she never saw coming. For anyone who has felt their faith in God falter, *Anchored* extends a gentle invitation to join her as she uncovers a hope that holds.

Hot Little Suppers isn ’ t simply a book about cooking for families--it ’ s a guide for cooking with families. And nobody is better equipped to tackle the subject of incorporating family into the process than Carrie Morey, who grew up cooking with her mother and whose daughters have worked side-by-side with her in her kitchen and business. Structured by seasons, the 120+ recipes are divided into easy-to-prepare weeknight meals and slightly more involved weekend dishes. From a tangy Thai chicken salad on a summer weeknight to a savory pork ragu with pappardelle for a cozy winter weekend meal, Carrie incorporates beautiful, bright flavors from a range of culinary traditions. Embedded within each section are tips for involving kids in the adventure, suggestions for serving a crowd, and variations on recipes that can satisfy different dietary restrictions and palates. Additionally, each chapter includes recipes for sides, drinks, and desserts that make tasty accompaniments, as well as sidebars with “ Hot Little Tips ” for everything from tailgating like a pro to starting dinner conversations with teens. The book also includes material about staples to keep on hand for putting suppers together, Carrie ’ s secrets to organizing your pantry, and beautiful photography throughout that captures techniques, finished dishes, and warm lifestyle shots of Carrie ’ s family.
