International bestseller and master storyteller Jeffrey Archer returns with a tale of fate and fortune, redemption and revenge with A Prisoner of Birth. Danny Cartwright and Spencer Craig never should have met. One evening, Danny, an East End cockney who works as a garage mechanic, takes his fiancée up to the West End to celebrate their engagement. He crosses the path of Spencer Craig, a West End barrister posed to be the youngest Queen's Counsel of his generation. A few hours later Danny is arrested for murder and later is sentenced to twenty-two years in prison, thanks to irrefutable testimony from Spencer, the prosecution's main witness. Danny spends the next few years in a high-security prison while Spencer Craig's career as a lawyer goes straight up. All the while Danny plans to escape and wreak his revenge. Thus begins Jeffrey Archer's poignant novel of deception, hatred and vengeance, in which only one of them can finally triumph while the other will spend the rest of his days in jail. But which one will triumph? This suspenseful novel takes the listener through so many twists and turns that no one will guess the ending, even the most ardent of Archer's many, many fans.

Bristol dock worker Harry Clifton's unexpected scholarship leads him to pursue a very different life while uncovering the truth about his father's identity.

Hell, the first volume in Jeffrey Archer's *The Prison Diaries*, is the author's daily record of the time he spent there. The sun is shining through the bars of my window on what must be a glorious summer day. I've been incarcerated in a cell five paces by three for twelve and a half hours, and will not be let out again until midday; eighteen and a half hours of solitary confinement. There is a child of seventeen in the cell below me who has been charged with shoplifting - his first offence, not even convicted - and he is being locked up for eighteen and a half hours, unable to speak to anyone. This is Great Britain in the twenty-first century, not Turkey, not Nigeria, not Kosovo, but Britain. On Thursday 19 July 2001, after a perjury trial lasting seven weeks, Jeffrey Archer was sentenced to four years in jail. He was to spend the first twenty-two days and fourteen hours in HMP Belmarsh, a double A-Category high-security prison in South London, which houses some of Britain's most violent criminals. This is his illuminating insight into prison life.

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

Incarceron is a prison so vast that it contains not only cells and corridors, but metal forests, dilapidated cities, and wilderness. It has been sealed for centuries, and only one man has ever escaped. Finn has
