Don't believe everything you read. Open any magazine or turn on any T.V. show and you'll be bombarded with air brushed, perfectly styled and made-up celebrities and super models, icons of beauty that real women can never match. Too often, girls, measure themselves against these unrealistic images and find themselves lacking. But we can all break free from the cult of celebrity and start liking the face we see in the mirror once we understand that many of these images of beauty are all made up. In the spirit of Fast Food Nation, media-awareness activist Audrey Brashich delivers an in-depth, informative, and eye-opening look at the effect the media and pop culture has on young women's self images.

Gives advice on selecting skin care products and makeup, and tells how to plan a skin care routine to handle individual problems

Do you harbor a secret longing to write a suspense novel? Suspense novels are one of the most enduring forms of genre fiction there is. They come disguised as romance, science fiction, fantasy, paranormal, blockbusters, thrillers, everything up to and including literary fiction. Is the desire building but you're intimidated by all the information out there and don't know where to start? Perilous Pauline's QuickStart Guide to Writing Made-up Mayhem can help! It's designed to be a quick-start for new writers and a refresher for the more experienced authors. With my guide, you can master the basic elements of writing, such as plotting, character, theme, and setting the scene. You'll learn how to crank up the suspense to a fever pitch—and figure out how to bring your characters safely home. If you love the thrills and chills of a good suspense tale, don't wait around for your favorite author to deliver the goods. Grab Pauline's QuickStart Guide to Writing Made-up Mayhem and write your own adventure today!

SELF-MADE IS A TRULY DEFINITIVE GUIDE; A 'GO-TO' BOOK FOR ALL ENTREPRENEURS AT ANY STAGE OF BUSINESS. This authoritative, focused guide by two of the UK's brightest young entrepreneurs - The Apprentice runner-up, Bianca Miller and serial entrepreneur, Byron Cole - is a comprehensive toolkit for anyone who wants to make a success of running their own business. Featuring interviews with well known entrepreneurs, entertainers and industry experts, the book covers every tier of the business development process, from start-up to exit, offering practical, implementable and global advice on the start up process. De-coding the jargon that is prevalent in business circles today, this book provides straightforward advice on converting an innovative business concept into a commercially viable proposition. It will help you to avoid the costly common mistakes of many who have gone before you, and create a sustainable enterprise that will flourish. Read Self Made and run your own business without fear of failure.

Possibility therapy, originated by Bill O'Hanlon, is about acknowledging and validating clients' felt experience and ideas about their lives while ensuring that possibilities for change are discovered and amplified. The book outlines this humorous, compassionate approach to action-oriented therapy. Each method is defined, explained, and illustrated, all in a page or two. By the end the reader has a huge selection of strategies and an enlightening map of possibility land. For people interested in the latest developments in brief, solution-oriented therapies, this is a terrific introduction to the territory.
