The Peace Palace is an international law administrative building in The Hague, the Netherlands. It houses the International Court of Justice, the Permanent Court of Arbitration, The Hague Academy of International Law and the Peace Palace Library. The Palace officially opened on 28 August 1913, and was originally built to provide a home for the PCA, a court created to end war by the Hague Convention of 1899. Andrew Dickson White, whose efforts were instrumental in creating the court, secured from

The failure of both, insofar as the preservation of peace was concerned, was apparent in the continuance of international insecurity, culminating in World War II. This again was followed by the establishment of a new inter national organisation, the United Nations, with its auxiliary, the International Court of Justice.

Peace Palace The Hague. Het Vredespaleis! (The Peace Palace) in The Hague originated from the ideals of pacifism and world peace. At the end of the 19th century, these principles were blooming as never before. When the Peace Palace was finished in 1913, the palace was just as grand as the idea of world peace itself.
