addiction, life-threatening depression, and ultimately, his recovery, in the follow-up to his hilariously raw debut, the #1 New York Times bestseller *Too Fat to Fish*. At a high point in his career, Artie Lange played a sold-out show in Carnegie Hall and totally killed—yet during his standing ovation, all he could think of were the two bags of heroin in his pocket. In the midst of a deep, self-destructive depression, addicted to heroin and prescription drugs, he lashed out at everyone around him—from his fellow cast members on *The Howard Stern Show*, to celebrity guests, to his

backslides, and permanent losses, Artie forges on.

The comedian and radio personality discusses his drug addiction, battle with depression, and ultimate recovery.

Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of The Howard Stern Show—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of The Howard Stern Show in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the

## Read Online Artie Lange Crash And Burn

show's move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out

for-sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn't have happened to anyone else. There are stories from his days driving a Jersey cab,

## Read Online Artie Lange Crash And Burn

working as a longshoreman in Port Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie's never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, *Too Fat to Fish* is Artie Lange giving everything he's got to give. And like a true pro, the man never disappoints.

"Lange's entertaining book makes it clear that, no matter how wild and risky his lifestyle may be, he takes comedy more seriously than anything else."

—Publishers Weekly When Artie Lange's first book, the #1 New York Times bestseller, *Too Fat To Fish*, hit the top of the charts, audiences learned what Howard Stern listeners already knew: that Artie is one of the funniest people alive. He is also an artist haunted by his fair share of demons, which overtook him in the years that followed. After a suicide attempt, a two-year struggle with

## Read Online Artie Lange Crash And Burn

depression, and years of chronic opiate addiction, Artie entered recovery and built himself back up, chronicling his struggle in brave detail in his next book and second New York Times bestseller, *Crash and Burn*. In his hilarious third book, the two-time bestselling author, comedian, actor, and radio icon explains the philosophy that has kept his existence boredom-free since the age of 13—the love of risk. An avid sports better and frequent card player, Lange believes that the true gambler gets high not from winning, but from the chaotic unknown of betting

itself. He recounts some of his favorite moments, many of which haven't involved money at all. In this candid and entertaining memoir, he looks back at the times he's wagered the intangible and priceless things in life: his health, his career, and his relationships. The stories found in *Wanna Bet?* paint a portrait of a man who would just as quickly bet tens of thousands of dollars on a coin toss as he would a well thought out NBA or NFL wager. Along for the ride are colorful characters from Artie's life who live by the same creed, from a cast of childhood friends to peers like comedian and

# Read Online Artie Lange Crash And Burn

known gambler Norm McDonald. The book is a tour of a subculture where bookies and mobsters, athletes and celebrities ride the gambling roller coaster for the love of the rush. Through it all, somehow Artie has come out ahead, though he does take a few moments to imagine his life if things hadn't quite gone his way. Unrepentant and unrestrained, the book is Lange at his finest.

of pop culture's great enduring unsung heroes: Gary Dell'Abate, Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth. Baba Boeey! Baba Boeey! It was a slip of the tongue—that unfortunately was heard by a few million listeners—but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment

## Read Online Artie Lange Crash And Burn

Gary Dell'Abate, the long-suffering heroic producer of The Howard Stern Show, for better or worse, finally came into his own. In *They Call Me Baba Booeey*, Dell'Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem's Top 40 every Sunday morning,

## Read Online Artie Lange Crash And Burn

compulsively bought 45s of his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand. Dell'Abate's memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper's mask who handily defeats his opponents playing "Stump the Booy." We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes—such as the day he

Tough Sh\*t.

Robin Quivers's New York Times–bestselling vegan cookbook, filled with more than ninety recipes Known for her levelheaded, deadpan comebacks to Howard Stern's often outrageous banter, Robin Quivers is a force of nature. Yet few people know about her struggles with food—especially the high-fat, high-sugar, high-cholesterol, highly addictive foods that doomed many of her relatives to obesity, diabetes, and heart disease. Sick and tired of being sick and tired, she knew it was time to stop her

## Read Online Artie Lange Crash And Burn

slow slide into bad health. Quivers took a stand in her personal nutrition battle and emerged victorious thanks to a plant-based diet. On her sometimes rocky, though endearingly hysterical, path to newfound health, Quivers discovered the power of the produce aisle in changing her body and her mindset. By filling up on soul-quenching, cell-loving vegetables instead of damaging animal products and processed foods, Quivers left behind the injuries, aches, and pains that had plagued her for twenty years. Charting her inspiring road to wellness, *The Vegucation of Robin*

## Read Online Artie Lange Crash And Burn

describes her transformation inside and out, and, including ninety of her favorite vegan recipes, she encourages readers to join her in putting their health first. With her signature humor and wit, Quivers builds an undeniable case that the key to living the life you've always wanted lies not with your doctor but in your refrigerator. Putting a new face on the pro-veggie movement, Quivers will dazzle readers who want to look good, feel good, and have fun doing it.
