Avancemos was developed as a result of extensive research with practicing Spanish teachers from throughout the United States. Based on this research, Avancemos integrates culture as a cornerstone for meaningful communication in Spanish; provides practice with a purpose by setting clear learning goals, providing frequent self-checks, and offering leveled practice activities; encourages language learning that lasts by teaching manageable chunks of language, and providing frequent recycling and review within each lesson, as well as at the end of each lesson and unit. - Publisher.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Looks at the important events and figures in world history, from 4000 B.C. to the present day.

Presents, in question and answer format, a history of the United States from the exploration of Christopher Columbus to the terrorist attacks of September 11, 2001. Simultaneous.

"The Holt McDougal Algebra 2 Teacher Edition includes teaching strategies, activities, technology tips and more to enhance instruction. Each chapter begins with a study guide preview and a section called Reading and Writing Math. Each section of every chapter of the teacher edition includes lab exercises, test prep and a quiz. At the end of each chapter, teachers find extra help from a study guide review, chapter test, college entrance exam practice, test tackler, and standardized test prep."--Publisher's Web site.
