Business Credit Expert and author Brian K Howard of BKH Credit Group will give you the knowledge and power to fight and win the business credit battle. This book is designed to help you understand step by step the process of building credit and obtaining funding for your business. First, you will learn what the business credit system is. Then, you will be enlightened on what lenders are looking for when deciding whether to approve a business for credit and funding or not. Finally, you will learn where to go to secure funding for your business and know the types of funding available today.

It is estimated that over 90% of the business population knows nothing about business credit. As a result, many business owners use their personal credit for business purposes at great consequence. Over 50% of businesses today fail, and with most of those businesses the business owner used their personal guarantee for their business debt, costing them their family's entire life savings and personal assets. With this book in your hands, you are about to become a business credit master. You will know exactly how to build business credit scores and a business credit profile for a business. With this business credit profile built you and your business can obtain large amounts of credit and funding for your business without having to supply a personal guarantee and being personally liable for your business debts.I have helped over 11,000 clients improve their personal credit, build business credit, and qualify for financing. I have had the opportunity to witness thousands of loans get underwritten, and seen first-hand how lenders make their lending decisions. I have helped consumers build, and repair personal credit to qualify for lending. And I have helped business owners obtain hundreds of millions of dollars in funding. I have dedicated more than a decade to learning everything about how creditors and lenders do business.That knowledge has helped create one of the most advanced business credit building systems in existence today. This system has been used to help business others obtain funding and build business credit for their businesses. These unique business credit building methods are also taught at the largest credit conventions in the nation to other credit firms. And now this book will give you the knowledge and power to fight and win the business credit battle. This book is designed to give you a step-by-step process of understanding how to build credit and obtain funding for any business. You will be learning first to understand the business credit system itself, then to know what lenders are looking for in order to approve a business for credit and funding, and, finally, you will learn where to go to secure funding for your business and know about the types of funding available today. Your business can have an excellent credit score and qualify for credit and funding without you having to offer a personal guarantee. This book will show you how.

Small businesses figure importantly in the American economy, yet few resources exist for small business owners looking to build their credit. In The Rational Guide to Building Small Business Credit, Barbara Weltman offers an indispensable new guide that clearly explains how to build and maintain a credit profile for your company. This book covers the fundamentals of credit building, including the five C's of credit analysis and how to register your D-U-N-S(r) number with Dunn & Bradstreet. Advanced concepts include re-establishing poor credit, working with the government, and running credit checks on your customers.This book uses a rational, no-nonsense approach to give you the information you need to proactively manage your credit
