Take the Nervous System Quiz. The nervous system is responsible for our thoughts, our emotions, our senses, and our movements.

# Read Free Central Nervous System Questions And

The brain, nerves, and spinal cord are all members of this important process.

---

Nervous System Quiz - Health Encyclopedia - University of

...

Recall that Schwann cells are the glial cells responsible for myelination in the peripheral nervous system. Myelin is lipid-rich, and on gross inspection appears white. Thus, in the 'white matter' of the brain and spinal cord, myelinated axons are the predominant neuronal cell component and most of the the nuclei that you see in white matter are primarily of glial cells.
