Nothing is new or original in Christianity. That is the important thesis demonstrated in Christianity Before Christ. The least important features, as well as the most important components, were all well developed in cultures that flourished before the time that Christ is alleged to have walked the parched paths of Roman Palestine.

Jared Ball December 24, 2013 Leave a Comment Africana Studies, imwil!, Panels & Presentations This is a classic lecture from John G. Jackson about his work Christianity Before Christ.

~~Christianity Before Christ: A Classic Lecture from John G ...~~

Gnosticism (from Ancient Greek: γνωστικός, romanized: gnōstikós, Koine Greek: [ɣnosti'kos], 'having knowledge) is a collection of religious ideas and systems which originated in the first century AD among early Christian and Jewish sects. These various groups emphasised personal spiritual knowledge over the orthodox teachings, traditions, and authority of the church.

~~Gnosticism—Wikipedia~~

An unapologetic atheist, he authored a number of books on the idea, including The African Origin of Christianity (1981) and Christianity before Christ (1985), as well as writing the foreword to Gerald Massey's Lectures (1974). He also wrote the controversial text, Was Jesus Christ a Negro? (1984), which argued that Jesus may have been a black man.
