Covers the details of construction, performance, and test, for portable, mobile, and stationary electrical instruments for sensing the presence of combustible gas or vapor concentrations in ambient air. Parts of these instruments may be installed or used in Class I Hazardous locations and gaseous mines in accordance with codes specified by authorities having jurisdiction.

Panda Coloring Book. Best Coloring Book Unique Collection Of Coloring Pages Gift For Kids

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Folding explained step by step with tips and tricks, fun and creative paper folding with easy folding lines, many patterns on good quality origami paper.

This celebration of the simple, hospitable cooking of Italy's small regional restaurants is unmatched in both authenticity and scope. Slow Food, the international defender of local food traditions, scoured the countryside of every region of Italy to collect and share the best traditional recipes from osterie, the humble local taverns that preserve the heritage of true Italian cooking. This cookbook is the culmination of that research—1,000 compelling recipes that highlight ingenuity with rustic ingredients and the generous hospitality of these off-the-beaten-track gems where we all dream of dining. Within the book, these homegrown chefs share their knowledge of local ingredients worth searching out, cooking techniques that vary from region to region (and even from town to town), and charming culinary customs. From cornmeal pizza with chicory and zucchini parmesan to pork ribs with cabbage and mushrooms, this is eminently cookable Italian food, perfect for everyday family meals and feasts alike. Each recipe is labeled with its region of origin, and indexes by both region and principal ingredient are provided. Osteria is an essential resource for every cook (and armchair traveler) who wants the secrets of Italian cooking straight from the source.
