However, in Cities of Others, Xiaojing Zhou uncovers a much different narrative, providing the most comprehensive examination to date of how Asian American writers - both celebrated and overlooked - depict urban settings.

Cities of Others: Reimagining Urban Spaces in Asian ...

COVID-19 is an urban-centric phenomenon, concentrated largely in India ' s metros, with some recent spread to smaller towns and villages. The unprecedented pandemic has exposed several pre-existing urban governance challenges as well as deep-rooted inequalities in access to housing, services, livelihoods and safety nets. The mass journeys of migrant workers from cities to villages has highlighted how little the government knew and cared for their plight.
