lyrics. artistfacts. Songfacts®: In this
song, which was written by Alan Jackson,
a "country boy" offers a girl a lift in his
pick up truck. Jackson's concept for the
song's promo was to ask his fans to send
him video ideas of what it means to be a
Country Boy (or girl). He then picked ten
of his favorites ...

Submarine * and more.

Country music boasts a long tradition of rich, contradictory gender dynamics, creating a world where Kitty Wells could play the demure housewife and the honky-tonk angel simultaneously, Dolly Parton could move from traditionalist “girl singer” to outspoken trans rights advocate, and current radio playlists can alternate between the reckless masculinity of bro-country and the adolescent girlishness of Taylor Swift. In this follow-up volume to *A Boy Named Sue*, some of the leading authors in the field of country music studies reexamine the place of gender in country music, considering the ways country artists and listeners have negotiated gender and sexuality through their music and how gender has shaped the

Download Ebook Country Boy Sheet Music Alan

way that music is made and heard. In addition to shedding new light on such legends as Wells, Parton, Loretta Lynn, and Charley Pride, it traces more recent shifts in gender politics through the performances of such contemporary luminaries as Swift, Gretchen Wilson, and Blake Shelton. The book also explores the intersections of gender, race, class, and nationality in a host of less expected contexts, including the prisons of WWII-era Texas, where the members of the Goree All-Girl String Band became the unlikeliest of radio stars; the studios and offices of Plantation Records, where Jeannie C. Riley and Linda Martell challenged the social hierarchies of a changing South in the 1960s; and the burgeoning cities of present-day Brazil, where "college country" has become one way of negotiating masculinity in an age of economic and social instability.

Selling Folk Music: An Illustrated History highlights commercial sources that reveal how folk music has been packaged and sold to a broad, shifting audience in the United States. Folk music has a varied and complex scope and lineage, including the blues, minstrel tunes, Victorian parlor songs, spirituals and gospel tunes, country and western songs, sea shanties, labor and political songs, calypsos, pop folk, folk-rock, ethnic, bluegrass, and more. The genre is of major importance in the broader spectrum of American music, and it is easy to understand why folk music has been marketed as America's music. **Selling Folk Music** presents the public face of folk music in the United States via its commercial promotion and presentation throughout the twentieth century. Included

Jackson, Albert Lee, Patsy
are concert flyers; sheet music; book, songbook, magazine, and album covers; concert posters and flyers; and movie lobby cards and posters, all in their original colors. The 1964 hootenanny craze, for example, spawned such items as a candy bar, pinball machine, bath powder, paper dolls, Halloween costumes, and beach towels. The almost five hundred images in *Selling Folk Music* present a new way to catalog the history of folk music while highlighting the transformative nature of the genre.

Following the detailed introduction on the history of folk music, illustrations from commercial products make up the bulk of the work, presenting a colorful, complex history.
