Dark Days is not just for fans of Lamb of God or heavy metal. The book is a must for anyone interested in a unique story of injustice and the long arduous journey one man took to clear his name. " Lithium Magazine, 7/31/15 " In Dark Days, Blythe takes the reader day by day, through his arrest and incarceration. He speeds things up and slows things down in just the right places, heightening the engagement level for the reader.

Dark Days: A Memoir: Blythe, D. Randall: 9780306826095 ...

" A riveting, gripping, biting, bold and brave memoir...Much more than a tour diary or a prison memoir, Dark Days is Blythe's own story about what went down—before, during, and after—told only as he can. " Philadelphia Magazine, 1/15/16 " Dark Days is extremely candid. It goes to some really raw places of the heart. "

Dark Days: A Memoir: Blythe, D. Randall: 9780306823145 ...

" Entirely the opposite of a happy-go-lucky rock star memoir, Dark Days is about Randy's journey, looking back on everything he went through in a land where one is not innocent until proven guilty. One does not have to be a metal fan—or even previously aware of Lamb of God—to appreciate Dark Days , as it comes from the perspective of an introspective, good-natured person trying to do the right thing "

Dark Days: A Memoir - Kindle edition by Blythe, Randy ... Being arrested in a foreign country for a crime you did not commit is a terrifying scenario and this book being an autobiography is a reflective and somber look on this horrible time in Blythes life. His writing makes the reader feel as though they experienced Czech prison and the horrors of

Memoir of the arrest, trial, and acquittal for manslaughter of Randy Blythe, lead singer of metal band Lamb of God.

In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. To protect himself, singer Randy Blythe pushed the fan away. Unbeknownst to Blythe, the young man hit his head on the floor when he fell and later died from the injury. Blythe was promptly incarcerated on charges carrying a prison term of five to ten years. Thirty-seven days later, he was released on bail to await trial. Although legal experts told him not to return to the Czech Republic to face the charges, Blythe explained that he " could not run away from this problem while the grieving family of a dead young man searched hopelessly for answers that [he] might help provide. " After a five-day trial, he was acquitted on March 5, 2013. In Dark Days, Blythe tells the story of his incarceration and the wild life that led up to it. As he explains, " Most substance abuse books end with the author getting sober. My book starts there. "

Lamb of god vocalist D. Randall Blythe finally tells the whole incredible story of his arrest, incarceration, trial, and acquittal for manslaughter in the Czech Republic over the tragic and accidental death of a concertgoer in this riveting, gripping, biting, bold, and brave memoir. On June 27, 2012, the long-running, hard-touring, and world-renowned metal band lamb of god landed in Prague for their first concert there in two years. Vocalist D. Randall "Randy" Blythe was looking forward to a few hours off—a rare break from the touring grind—in which to explore the elegant, old city. However, a surreal scenario worthy of Kafka began to play out at the airport as Blythe was detained, arrested for manslaughter, and taken to PankrPrison—a notorious 123-year-old institution where the Nazis' torture units had set up camp during the German occupation of then-Czechoslovakia, and where today hundreds of prisoners are housed, awaiting trial and serving sentences in claustrophobic, sweltering, nightmare-inducing conditions. Two years prior, a 19-year-old fan died of injuries suffered at a lamb of god show in Prague, allegedly after being pushed off stage by Blythe, who had no vivid recollection of the incident. Stage-crashing and -diving being not uncommon occurrences, as any veteran of hard rock, metal, and punk shows knows, the concert that could have left him imprisoned for years was but a vague blur in Blythe's memory, just one of the hundreds of shows his band had performed over their decades-long career. At the time of his arrest Blythe had been sober for nearly two years, having finally gained the upper hand over the alcoholism that nearly killed him. But here he faced a new kind of challenge: jailed in a foreign land and facing a prison sentence of up to ten years. Worst of all, a young man was dead, and Blythe was devastated for him and his family, even as the reality of his own situation began to close in behind PankrPrison's glowering walls of crumbling concrete and razor wire. What transpired during Blythe's incarceration, trial, and eventual acquittal is a rock 'n' roll road story unlike any other, one that runs the gamut from tragedy to despair to hope and finally to redemption. While never losing sight of the sad gravity of his situation, Blythe relates the tale of his ordeal with one eye fixed firmly on the absurd (and at times bizarrely hilarious) circumstances he encountered along the way. Blythe is a natural storyteller and his voice drips with cutting humor, endearing empathy, and soulful insight. Much more than a tour diary or a prison memoir, Dark Days is D. Randall Blythe's own story about what went down—before, during, and after—told only as he can.

The incredible memoir from Lamb of God frontman, Randy Blythe. In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. To protect himself, singer Randy Blythe pushed the fan away. Unbeknownst to Blythe, the young man hit his head on the floor when he fell and later died from the injury. Blythe was promptly incarcerated on charges carrying a prison term of five to ten years. Thirty-seven days later, he was released on bail to await trial. " After a five-day trial, he was acquitted on March 5, 2013. In Dark Days, Blythe tells the story of his incarceration and the wild life that led up to it. As he explains, " Most substance abuse books end with the author getting sober. My book starts there. "

Offers a narrative chronicle of race in the United States and the successes, failures, and stalemates of African American leaders in the past fifty years.

This emotional and honest novel recounts a young man's experiences during World War II and digs deep into what he and his fellow soldiers lived through during those dark times. The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. "The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book." --William L. Shirer

New York Times bestseller Alison Goodman's eagerly awaited new project -- a Regency adventure starring a stylish and intrepid demon-hunter! London, April 1812. On the eve of 18-year-old Lady Helen Wrexhall's presentation to the Queen, one of her family's housemaids disappears--and Helen is drawn into the shadows of Regency London. There, she meets Lord Carlston, one of the few who can stop the perpetrators: a cabal of demons infiltrating every level of society. Dare she ask for his help, when his reputation is almost as black as his lingering eyes? And will her intelligence and headstrong curiosity wind up leading them into a death trap?

The New York Times bestselling, darkly funny memoir of a young New Yorker's daring dual life—advertising art director by day, glitter-dripping drag queen and nightclub beauty-pageant hopeful by night—was asmash literary debut for Josh Kilmer-Purcell, now known for his popular PlanetGreen television series The Fabulous Beekman Boys.His story begins here—before the homemade goat milk soaps and hand-gathered honeys, before his memoir of the city mouse ' s move to the country, TheBuolic Plague—in I Am Not Myself These Days, with " plenty of dishy anecdotes and moments of tragi-camp delight " (WashingtonPost).

Dark Days in Ghana Kwame Nkrumah Kwame Nkrumah, foremost exponent of African Unity and socialism never saw Ghana in isolation from the rest of Africa or from the world revolutionary struggle.

"A minor classic in its laconic, spare, compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history."—Arthur M. Schlesinger, Jr. During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba, few people shared the behind-the-scenes story as it is told here by the late Senator Robert F. Kennedy. In this unique account, he describes each of the participants during the sometimes hour-to-hour negotiations, with particular attention to the actions and views of his brother, President John F. Kennedy. In a new foreword, the distinguished historian and Kennedy adviser Arthur Schlesinger, Jr., discusses the book's enduring importance and the significance of new information about the crisis that has come to light, especially from the Soviet Union.
