Wonderful, strange and immersive, The Manual of Detection is one of my favorite books in recent memory. The world Berry has invented feels like the movie Brazil crossed with Dirk Gently's Holistic Detective Agency and inspired by classic noir detective stories and films, such as The Maltese Falcon. It's dark and grim yet somehow not depressing.

The Manual of Detection by Jedediah Berry

This manual generally assumes you have the turnkey system comprising one or two computers and one to eight Detective®200s (or other compatible ORTEC®Detective products), with the connection method (wireless or wired, USB) pre-configured at the factory. However, Appendix B tells how to incorporate additional detectors into your system.
