Diary of a Drug Fiend - WikiMili, The Free Encyclopedia

Publisher's Summary When Sir Peter Pendragon, a retired pilot of the Great War, meets the free-spirited Louise, a devotee of the mysterious occultist Basil King Lamus, the two immediately get married and set off across Europe, on a drug-fueled honeymoon of heroin and cocaine.

Diary of a Drug Fiend by Aleister Crowley | Audiobook ...

Often overlooked in discussions of the great narcotics memoirs, Aleister Crowley's rarely read 1922 work *Diary of a Drug Fiend* deserves to be mentioned alongside such addiction classics as *Confessions of an English Opium Eater*, *Naked Lunch*, *Fear and Loathing In Las Vegas* and *Trainspotting*. The 'diary' is an outrageous drug-fueled romp offering fascinating first-hand insight into early ...

Diary of a Drug Fiend en Apple Books

*Diary Of A Drug Fiend* is successful because it is very easy to understand. The use of language is masterful. It is not a pretty story, to be sure, and many will disagree with the seemingly pro drug message but it is a great tale. Peter Pendragon and Unlimited Lou are presented as both sympathetic and contemptible characters.

Diary of a Drug Fiend book by Aleister Crowley

This is a true story. . . It is a terrible story/ but it is also a story of hope and of beauty. Written by Aleister Crowley, *Diary of a Drug Fiend* tells the story of young Peter Pendragon and his lover Louise Laleham, and their adventures traveling through Europe in a cocaine and heroin haze. The bohemian couples' binges produce visions and poetic prophecies, but when their supply inevitably ...

*Diary of a Drug Fiend*, published in 1922, was occult writer and mystic Aleister Crowley's first published novel, and is also reportedly the earliest known reference to the Abbey of Thelema in Sicily. The story is widely thought to be based upon Crowley's own drug experiences, despite being written as a fiction.

"Light illuminates the path of humanity: it is our own fault if we go over the brink." -Aleister Crowley  
Aleister Crowley was a noted and controversial occultist, ceremonial magician and poet. He has been called "the wickedest man in the world, or "The Great Beast 666, or "The Master Therion", but he remained a highly influential figure over Western esotericism and the counterculture. "*Diary of a Drug Fiend*", is his first published novel, and is also reportedly the earliest known reference to the Abbey of Thelema in Sicily. Crowley took as his example Dante's "*Divine Comedy*" partitioned off in three parts of the same triptych: PARADISO, INFERNO, & PURGATORIO, which affords him to delineate all these aspects of what it is to be a drug fiend. The story is enchanting and you are swept up into the pages about the ecstasy and agony of drug usage. The realism presented here no doubt stemmed from Crowley's own dabbling with the various powders. Intoxicating, powerful, often incredibly disconcerting, this book is a tour de force by a truly great novelist. In summation, this unusual book is a classic must-read among lovers and aspirants of Literature, scholars and historians in the field of drug addiction and psychology. This novel is also recommend to students of the occult, as it serves as an excellent introduction to the Doctrine of Thelema.

The true story of Aleister Crowley's own experience with drugs.

The true story of Aleister Crowley's own experience with drugs.

Aleister Crowley is best known for his work in the occult, his writings on Magick, and creating the religion of Thelema. He was a giant of his time with many talents and, some argue, many flaws as well. Of all his gifts, his writing was the vehicle that drove his genius. His *Book of the Law* and other mystical works are widely read by students of occult philosophy. Few, however, are familiar with his more artistic endeavors, including his two literary novels: *Diary of a Drug Fiend* & *Moonchild*. For whatever reason, stories help readers integrate and understand larger themes and ideas present in the narrative. Perhaps that is why people look to allegories like Cain and Abel when trying to understand the nature of murder, or recite *The Boy Who Cried Wolf* when teaching their children not to lie. The truths appearing in fiction take no intellectual effort to grasp; they work subtly on the reader's mind in a way that is easier to digest than the cold, hard philosopher's stone. The great religions of the world understand this. Crowley took note as well. His two novels carry the message of Thelema. The characters and themes in the books were imagined and created to dramatize and illustrate its practice. The reader sees Thelema in action and learns of Crowley's broader beliefs and philosophy as the drama unfolds. "Do what thou wilt shall be the whole of the law; Love is the law, love under will." A short phrase with monumental import. In *Diary of a*

Drug Fiend, Crowley shows its power to bring two hopeless addicts out of a pit of hell. In Moonchild, he demonstrates the fate of those who would misinterpret its meaning and be seduced by the temptations of Black Magick. Whether intended or not, The Two Novels of Aleister Crowley provide a more compelling case for his beliefs than his other works ever could.

Edited, with an Introduction, by William Breeze. Foreword by David Tibet. This volume brings together the uncollected short fiction of the poet, writer and religious philosopher Aleister Crowley (1875 - 1947). Crowley was a successful critic, editor and author of fiction from 1908 to 1922, and his short stories are long overdue for discovery. Of the fifty-two stories in the present volume, only thirty were published in his lifetime. Most of the rest appear here for the first time. Like their author, Crowley's stories are fun, smart, witty, thought-provoking and sometimes unsettling. They are set in places he had lived and knew well: Belle Epoque Paris, Edwardian London, pre-revolutionary Russia and America during the first World War. The title story The Drug stands as one of the first - if not the first - accounts of a psychedelic experience. His Black and Silver is a knowing early noir discovery that anticipates an entire genre. Atlantis is a masterpiece of occult fantasy, a dark satire that can stand with Samuel Butler's Erewhon. Frank Harris considered The Testament of Magdalen Blair the most terrifying tale ever written. Extensive editorial end-notes give full details about the stories.

If you are interested in the arcane, the occult, the erotic or the highs and lows of drug addiction, then this book is for you. A piece of fiction inspired by Crowley's own experience of drugs and first published in 1922, Diary of a Drug Fiend follows Sir Peter Pendragon, a veteran pilot of World War I, who comes into money and saves himself from life-sapping indolence by marrying Louise Laleham, a devotee of the occultist Basil King Lamus. The couple marry and leave for Europe on honeymoon, then return to England to fight their demons as the book paints a vivid picture of their love set against a lifestyle of decadence, addiction and 'magick'. An uplifting and inspiring work of literary genius. Provides insight into the truth about drug-taking as well as psychological insight into the mind of an addict. A must-read for those interested in the occult. 'We must conquer life by living it to the full, and then we can go to meet death with a certain prestige.' Aleister Crowley

Aleister Crowley (1875-1947), was an English occultist, writer, mountaineer, philosopher, poet, and mystic. He was an influential member within the occult organization the Golden Dawn, and founder of the Ordo Templi Orientis (O.T.O.). Today he is best known for his occult writings and teachings of the philosophy of Thelma. Originally published in 1912, this comedy shows Crowley at his best.

The Aleister Crowley Collection includes Crowley's seminal works The Book of the Law and The Book of Lies, as well as his esoteric, entertaining drug memoir, Diary of a Drug Fiend.
