United States has ever seen erupt in New York City. Earlier that year, desperate for more Union soldiers, President Abraham Lincoln instituted a draft—a draft that would allow the wealthy to escape serving in the army by paying a \$300 waiver, more than a year's income for the recent immigrant Irish. And on July 11, as the first drawing takes place in Lower Manhattan, the city of New York explodes in rage and fire. Stores are looted; buildings, including the Colored Foundling Home, are burned down; and black Americans are attacked, beaten, and murdered. The police cannot hold out against the rioters, and finally, battle-hardened soldiers are ordered back from the fields of Gettysburg to put down the insurrection, which they do—brutally. Fifteen-year-old Claire, the beloved daughter of a black father and Irish mother, finds herself torn between the two warring sides. Faced with the breakdown of the city—the home—she has loved, Claire must discover the strength and resilience to address the new world in which she finds herself, and to begin the hard journey of remaking herself and her identity. Addressing such issues as race, bigotry, and class head-on, Walter Dean Myers has written another stirring and exciting novel that will shake up assumptions, and lift the spirit. From the Hardcover edition.

Lockdown is the powerful tale of fourteen-year-old Reese Anderson, who has spent 22 months in a tiny cell at a “progress center.” Living in fear and isolation, Reese begins looking within himself to find a way out of the prison system. Acclaimed author Walter Dean Myers offers an honest story about finding a way to make it without getting lost in the shuffle. Told with compassion and truth, Lockdown is also a compelling first-person read that “could resonate with teens on a dangerous path.”* When I first got to Progress, it freaked me out to be locked in a room and unable to get out. But after a while, when you got to thinking about it, you knew nobody

could get in, either. It seems as if the only progress that's going on at Progress juvenile facility is moving from juvy jail to real jail. Reese wants out early, but is he supposed to just sit back and let his friend Toon get jumped? Then Reese gets a second chance when he's picked for the work program at a senior citizens' home. He doesn't mean to keep messing up, but it's not so easy, at Progress or in life. One of the residents, Mr. Hooft, gives him a particularly hard time. If he can convince Mr. Hooft that he's a decent person, not a criminal, maybe he'll be able to convince himself. place on the cheerleading squad and T-Boom, co-captain of the basketball team, for a boyfriend. Yet Laurel is haunted by voices and memories from her past. When T-Boom introduces Laurel to meth, she immediately falls under its spell, loving the way it erases, even if only briefly, her past. But as she becomes alienated from her friends and family, she becomes a shell of her former self, and longs to be whole again. With help from an artist named Moses and her friend Kaylee, she's able to begin to rewrite her story and start to move on from her addiction. Incorporating Laurel's bittersweet memories of life before and during the hurricane, this is a stunning novel by one of our finest writers. Jacqueline Woodson's haunting - but ultimately hopeful - story is beautifully told and one readers will not want to miss.

The Scorpions are a gun-toting Harlem gang, and Jamal Hicks is about to become tragically involved with them in this authentic tale of the sacrifice of innocence and the struggle to steer clear of violence. This Newbery Honor Book will challenge young men to consider their own decisions as they come of age in a complex and often frustrating society. Pushed by a bully to fight and nagged by his principal, Jamal is having a difficult time staying in school. His home life is not much better, with his mother working her fingers to the bone to try to earn the money for an appeal for Jamal's jailed older brother, Randy. Jamal wants to do the right thing and help earn the money to free his brother by working, but he's afraid to go against the Scorpions. Jamal eventually pulls free of the gang's bad influence, but only through the narrowest of escapes. Walter Dean Myers, five-time winner of the Coretta Scott King Award, sensitively explores the loyalty and love between friends faced with hard choices. Scorpions is 25 years old, but the issues of poverty and violence make it a timeless powerful read—sadly as relevant as ever.

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels “reaches deep into the minds of soldiers” and makes “readers feel they are there, deep in the heart of war.” Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association’s list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.
