This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work.

Criminology: The Essentials 3rd Edition - amazon.com

"Essential Criminology is a text for this century. It puts 'crime' in the context of globalization, communication, privatization, disease, security and terrorism. While other texts are still echoing concern with 19th century street crime, this book grapples with these crimes as well as the crimes of the imagined future: that which students must know.
