The Essential Woodworker: Skills, Tools & Methods: Wearing ...

Detailed instructions on basic woodworking skills and building tables and cabinets using hand tools. No major projects but there are enough plan books out there to easily get you started.No bench information, you will need another book for that, see Workbenches: From Design And Theory To Construction And Use or Hand Tools: Their Ways and Workings for more information on such a contentious subject.

The Essential Woodworker: Skills, Tools and Methods by ...

I think it's a gold mine of traditional hand tool techniques. Assisted by more than 530 hand-drawn illustrations, plus dozens of photos, Wearing walks you through the process of becoming a hand-tool woodworker. He starts with sharpening and ends with dovetailed casework. To illustrate all of the basic principles, Wearing deftly guides you through building a few small projects.
