The Flesh of the God Amon . . . is gold. Not so precious as silver or the incredibly rare metal called iron, it is of rare beauty. Men covet it. But it belongs to the crown and the god. And someone is stealing it, somewhere between the convict-worked mines and the royal cargo ships intended to take it north to the capital.

GMS - Flesh of The Gods

The flesh of the gods is hallucinogenic plants that are widely used in South and Middle America by Indians, and were rapidly accepted by North American Indians when introduced from Mexico in historic times. Furst has done us a service by getting a number of experts on the subject to contribute to this book.

Flesh of the Gods: The Ritual Use of Hallucinogens: Furst ...

Godflesh are an English industrial metal band from Birmingham, England. The group formed in 1982 under the title Fall of Because but did not release any complete music until 1988 when Justin Broadrick (guitar, vocals and programming) and G. C. Green (bass) renamed the band and decided to use a drum machine for percussion.
