What is Ford transmission code E? - Answers

Ford transmission code U is used to denote the automatic 4R70W transmission used in F-150 and F-250 vehicles. An alternative transmission used in both the F-150 and F-250 is the automatic E40D, denoted by the code E. The manual overdrive five-speed transmission often used in F-150, F-250 and Ford Ranger vehicles is denoted using the single letter M. Automatic four-speed and five-speed transmissions in the Ford Ranger are referenced using the codes T and D respectively.
