Political science, occasionally called
politology, is a social science which
deals with systems of governance, and
the analysis of political activities,
political thoughts, associated
constitutions and political behaviour.

~~Political science – Wikipedia~~

This symposium celebrates the
contributions of ethnography and
participant observation to political
science research. Together the essays
illustrate the particular strengths of
ethnography and participant
observation as methods that draw
researchers “out from behind their
desks” and bring them closer to the
