A Jodi Picoult book about mercy killing ! How great would that be ? Except it's not. I believe that life's too short to read a bad book, but it was with some disappointment that i had to let this one go as Jodi Picoult is one of my favourite go to authors. A brilliant concept for one of her books, but it was dull and plodding, the characters weren't likeable, and it swiftly took a turn towards ...

Jodi Lynn Picoult (/ ˈdʰoʊdi ˈpiːkoʊ /; born May 19, 1966) is an American writer. Picoult has published 26 novels, accompanying short stories, and has also written several issues of Wonder Woman. Approximately 40 million copies of her books are in print worldwide, translated into 34 languages.

~~Jodi Picoult - Wikipedia~~

Picoult explores the idea of mercy killing in "Mercy." When the police chief's nephew kills his wife—who is dying of cancer and wants him to kill her—the chief is torn between family loyalty and his duty as an officer. In addition to the trial, the novel also deals with the chief's extramarital affair. 1998: 'The Pact'

Police chief of a small Massachusetts town, Cameron McDonald makes the toughest arrest of his life when his own cousin Jamie comes to him and confesses outright that he has killed his terminally ill wife out of mercy. Now, a heated murder trial plunges the town into upheaval, and drives a wedge into a contented marriage: Cameron, aiding the prosecution in their case against Jamie, is suddenly at odds with his devoted wife, Allie -- seduced by the idea of a man so in love with his wife that he'd grant all her wishes, even her wish to end her life. And when an inexplicable attraction leads to a shocking betrayal, Allie faces the hardest questions of the heart: when does love cross the line of moral obligation? And what does it mean to truly love another? Praised for her "personal, detail-rich style" (Glamour), Jodi Picoult infuses this page-turning novel with heart, warmth, and startling candor, taking readers on an unforgettable emotional journey.

From the author of the #1 New York Times bestsellers Small Great Things and My Sister's Keeper, a novel exploring the story of a young woman overcome by the demands of having a family. Paige has only a few vivid memories of her mother, who abandoned her at five years old. Now, having left her father behind in Chicago for dreams of art school and marriage to an ambitious young doctor, she finds herself with a child of her own. But her mother's absence and shameful memories of her past force her to doubt whether she could ever be capable of bringing joy and meaning into the life of her child, gifts her own mother never gave. Harvesting the Heart is written with astonishing clarity and evocative detail, convincing in its depiction of emotional pain, love, and vulnerability, and recalls the writing of Alice Hoffman and Kristin Hannah. Out of Paige's struggle to find wholeness, Jodi Picoult crafts an absorbing novel peopled by richly drawn characters, and explores motherhood with a power and depth only she is capable of. "A brilliant, moving examination of motherhood, brimming with detail and emotion." —Richmond Times-Dispatch "Jodi Picoult explores the fragile ground of ambivalent motherhood in her lush second novel. This story belongs to... the lucky reader." —The New York Times Book Review

The #1 New York Times bestselling author and "master...at targeting hot issues and writing highly readable page-turners about them" (The Washington Post) weaves an unforgettable and moving novel of a small town gripped by a shocking and controversial murder trial. Cameron McDonald, the police chief of his small New England town, is forced to make the toughest arrest of his life when his cousin Jamie confesses that he has killed his wife. He claims that since she was suffering from a terminal disease, he ended her life out of mercy. Now, a heated murder trial plunges the town into upheaval, and drives a wedge into a contented marriage: Cameron, aiding the prosecution in their case against Jamie, is suddenly at odds with his devoted wife, Allie, who believes Jamie so loved his wife, he granted her wish to end her life. And when an inexplicable attraction leads to a shocking betrayal,

Allie faces the hardest questions of the heart: when does love cross the line of moral obligation? And what does it mean to truly love another? Praised for her “personal, detail-rich style” (Glamour), Jodi Picoult infuses this page-turning and evocative novel with heart, warmth, and startling candor.

#1 NEW YORK TIMES BESTSELLER • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, *Small Great Things* is the stunning new page-turner from Jodi Picoult. **SOON TO BE A MAJOR MOTION PICTURE** “[Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book.”—Booklist (starred review) Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty years’ experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she’s been reassigned to another patient. The parents are white supremacists and don’t want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious crime. Kennedy McQuarrie, a white public defender, takes her case but gives unexpected advice: Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy’s counsel, Ruth tries to keep life as normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other’s trust, and come to see that what they’ve been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn’t offer easy answers. *Small Great Things* is a remarkable achievement from a writer at the top of her game. Praise for *Small Great Things* “*Small Great Things* is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice.”—The Washington Post “A novel that puts its finger on the very pulse of the nation that we live in today . . . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down.”—San Francisco Book Review

Two strands: first the story of Razi Nolan, growing up in New Orleans in the 1920s, smart, fearless, set on breaking the comfortable family mould by making a career as a doctor. Then she falls in love with Andrew O’Connell and her plans become complicated. She is never able to tell Andrew what she has decided about her future as, one summer morning, she accidentally drowns. By choice, and from where she narrates, she stays between this world and the unknown; every memory of her life remains perfectly intact. More than seventy years later, Razi finds Andrew’s once-treasured bookcase at a garage sale. She watches a young couple take it home, Amy and Scott, burdened with secrets of their own. As their once close relationship unravels, Razi remembers her past with Andrew and how she comes to understand what their love ultimately taught her, how he coped after her death, and how the story of Amy and Scott reflects so much of her own.

Falling madly in love and beginning what she believed would be the perfect marriage with Hollywood leading man Alex Rivers, renowned anthropologist Cassie Barret is heartbroken when their fairy-tale romance falls apart. Reissue.

#1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—The Washington Post The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

The acclaimed #1 “New York Times”-bestselling author presents a spellbinding tale of a mother’s tragic loss and one man’s last chance at gaining salvation. Once again, Picoult mesmerizes and enthralls readers with this story of redemption, justice, and love.

Sixteen-year-old Prince Oliver, who wants to break free of his fairy tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek Oliver’s freedom.
