From Chosen to Traitor? After being stretched to their limits, the four heroic young Forest Guard recruits—Johnis, Silvie, Billos, and Darsal—face new dangers on their mission to secure the seven lost Books of History. Celebrated as a hero, Johnis's world is shattered when he learns that his mother may not be dead as presumed but could be living as a slave to the Horde. Throwing caution to the wind, he rushes to her rescue. But this

is precisely what the Horde has planned. Now he will face a choice between Silvie, whom he is quickly falling for, and his sworn duty to protect the Forest Dwellers. How can he save those he loves without betraying his own people? In the end, one will be revealed as the Infidel. And nothing will be the same for the remaining Chosen.

Elyon's lakes have turned blood red. Is it a curse . . . or the cure? Shaeda has one blue eye and one purple eye. No one fully knows her story, but her mere gaze eats away at the core of one's being. In his quest for power,

Johnis now finds himself in her intoxicating grip. Assumed identities, a magic amulet, the fearsome Shataiki bats, and a troubling alliance with the Dark Priest all converge against the three remaining chosen. Sinner is the story of Marsuvees Black, a force of raw evil who speaks with wicked persuasion that is far more destructive than swords or guns. Beware all who stand in his way. It's also the story of Billy Rediger and Darcy Lange, two unsuspecting survivors of a research project gone bad, who discover that they are perhaps the two most powerful souls in the land. Listen to them or pay a terrible price. And it's the story of Johnny Drake, the one who comes out of the desert and leads the 3,000. Follow him and die. Sinner tells the story of

a free land where people who worship as they please and say what they believe are suddenly silenced in the name of tolerance. Most will roll with the punches. Most will drift with the tide. But not all. Not the 3,000.

Think with your heart and prepare to die . . . for you have been Chosen. Thomas Hunter, supreme commander of the Forest Guard, has seen a great evil decimate much of his beautiful world. With a dwindling army and an epic threat, Thomas is forced to supplement his fighters with new recruits ages 16 and 17. From thousands, four will be chosen to

For these seven books have immense power over the past, present, and future, controlling not only the destiny of their world . . . but that of ours as well.
