Peterson's Master the Special Agent Exam will help readers pass the Treasury Enforcement Agent exam or agency-specific exam in other federal government departments. Three practice tests and a diagnostic test are included to help test takers prepare for the verbal reasoning/logical reasoning, quantitative reasoning/arithmetic reasoning, and problems for investigation questions they will encounter on their special agent exam. In addition, crucial job application information is reviewed, such as what a career as a special agent is all about and how to create a top-notch federal application. Peterson's Master the Special Agent Exam will prepare readers for a career serving their community and helping others.

The introduction of self-assessment for income tax collection in the late 1990s marked a striking moment of cultural convergence between the UK and the US. This book analyses the socio-political factors leading to and resulting from this fundamental change in the

relationship between taxpayers and the Inland Revenue, using perspectives in comparative law and the new outlooks of modern tax and cultural theory. It will be of interest to those studying theories of compliance, cultural legal studies, and law and society.
