Meeting, convention, & event planners | Data USA

Event planning involves working closely with the client to design an event that reflects the client's vision of the gathering and meets the event's objective. Clients who hire an event planner hire someone to plan all aspects of the event, including the related details and action items, and to see that event through until its completion.

Event Management vs. Planning: What's the Difference?

When attending a company meeting or event, we often fail to think about the people who are in charge of planning and executing it. Many details go into planning an event or meeting, from creating documents and reports, to preparing presentations, creating and sending invites, supplying catering, and much more.
