Willi comes from another planet. There is something different than here on Earth. That's why it is sometimes difficult for Willi to find his way around with us. But he loves life on earth very much and we earth people can still learn a lot from Willi. Birte Müller, illustrator, author and mother of Willi, conveys the topic of diversity and disability naturally. In her book, Birte Müller uses ...

Willi is a completely special child, because he comes from another planet. The Planet, Willi comes from, must be a wonderful Place. There is no sickness and no danger. It's a nice and slow place, where all people love each other and cuddle all day. People are always happy and have music everywhere. But he got accustomed to the life on
