you can deal more effectively with tough situations and difficult people and dramatically improve your performance and confidence. You must learn that the easiest way to an easy mind is to create an easy mind. This is done by practice and by the application such as "Believe in yourself and in everything you do", "Build new power and determination", "Improve your personal and professional relationships" and "Be kind to yourself" etc.

Analyzes contemporary drama, fiction, and popular works in order to show how the Depression affected the myth of success, and looks at the values, attitudes, and motivations of Americans during that period

This book addresses three core ideas essential to life and leadership mastery: (1) The ability to take self-responsibility releases you from the victim mindset. (2) The ability to deal with strong feelings allows you to mine the jewels in those grenades. (3) The ability to live and lead from the 3rd altitude of life--the level of purpose. You will learn to climb the mountain from power, to principle, to purpose. These three keys to self-mastery will build true competence and compassion in your life.

Attitude affects every facet of our lives—from the way we handle stress to how we communicate at work. The way we view difficulties and setbacks can make the difference between success and failure. Roger Fritz has devoted his career to helping people overcome obstacles and achieve their goals by changing their outlook on life. In *The Power of a Positive Attitude*, he shows readers how to develop a deeper understanding of the effects of their attitude and how it influences not only their performance but the results others achieve. Now, readers can learn to succeed in business by:

- assessing their attitude toward themselves and their co-workers
- overcoming negative attitudes
- learning the dos and don'ts in dealing with their bosses
- becoming better listeners
- overcoming resistance to change in the workplace
- rejecting suggestions without causing resentment
- giving and responding to criticism from team members
- disagreeing with employees and colleagues without being disagreeable
- conquering burnout and stress.

Life-affirming and authoritative, this is an invaluable book that will empower anyone to face life and work with joy and confidence.

most people believe their emotions are automatic reactions to events. Few realize that their emotions are determined by what they think, by how they interpret events, and not by the events themselves. This book provides a theory of automatic processing and its implications for controlling emotions. Epstein was motivated to write the book by the success of a course he taught based on his theory. Students reported obtaining an understanding and control of their emotions that they never thought possible and that they said changed the course of their lives. The book can be used as a primary or supplementary text in courses on coping with stress or on improving emotional intelligence as well as for individual reading.

**The Miracle!** In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Approach Women and Attract Women. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Approach Women and Attract Women. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

Advancement in telecommunications has drastically changed the way that people communicate, particularly in a professional capacity. The onslaught of e-mail, text and even instant messaging has given people other means with which to communicate with one another, but in doing, the art of personal, verbal and face-to-face communication is being lost, resulting in miscommunication and broken personal and professional relationships.
