The Simple View of Reading (SVR) offers one useful way to think about reading development. According to SVR, good reading comprehension requires two broad sets of abilities: word recognition and oral language comprehension. Each of these elements – word recognition and oral language comprehension – includes a set of specific component skills.

Introduction to deeds in depth. This skills unit follows on from the Deeds unit on this site, which gives basic facts about title deeds, deed bundles, and what can be learned from them. This unit aims to help users read and fully understand old title deeds. This can be hard for first-time users, because deeds were written in formulaic legal language, and up to 1733 were often written in Latin.
