The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's Etiquette is the most trusted resource for navigating life's every situation From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of Etiquette. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. Emily Post's Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's Etiquette also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

Chainsaw Operation is a practical guide to safe work technique for chainsaw operators. Some three decades in making and refinement, this detailed yet easy to read manual comprises not less than 80 pages formatted in A4 size. Without doubt, Chainsaw Operation is a 'must' for those involved in the safe operation and proper maintenance of chainsaws. As such, it is a most worthy addition to the bookshelf for all in such fields as amenity horticulture, forestry, conservation land management, agriculture and the emergency services. This comprehensive reference covers safe use of chainsaws generally, trimming, cross cutting, ripping, tree falling, chainsaw maintenance and environmental care.

This is a romantic look back at southern foods and foodways. Typical of many other such books following the Civil War, there is a touching, nostalgic (condescending) evocation of the author's Mammy and her cooking. Painful as some of this is to read today, we find an underlying love and admiration for the Mammy and a feeling of loss for the "good old days." If one can pass by this aspect of the book, one can learn a great deal about an antebellum Southern kitchen.Every chapter contains good, solid Southern recipes. Many pages are required to discuss all the variations on the theme of the pig and pork: how to select, cure, pickle, make hams, hang hams, smoke, Render Lard, Prepare Fried Hog's Feet, Souse and Hog's Foot Oil and Jelly. We also have Barbecued Rabbit, Squirrel Smothered, Possum Roasted, Fried Chicken, Fig Pudding, Fried Pies, Sweet Potato Custard, Molasses Pie, Blackberry Mush, and Baked Peaches.There are sections on Creole Cookery, and fascinating discussions on the foods and festivities associated with special occasions - Weddings, Christmas, Birthday Barbecues, and Political Barbecues, among others.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Includes memorandum from Michael B. Cook.

Smokey Yunick's Power Secrets is a unique milestone from the acknowledged master of no-nonsense engine development. Henry "Smokey" Yunick is a living legend in racing circles, and in this book he explains race-engine preparation in the direct and unrelenting style that is his singular trademark. From carburetors to shop tools, Smokey tells it like it is. This book is a once-in-a-lifetime experience; a classic that you'll enjoy reading again and again.

Monsters aren't born, they are created. Katya. After spending years in hospitals, I can finally have a life. Then my mom abandons me to the care of the most breathtaking man I've ever seen. He's like the embodiment of Death, a Greek tragedy waiting to unfold. Can I break through the darkness that has a hold on him? Kristoff. My soul is black as tar. I'm a cold-hearted killer, the leader of my own Bratva. What mother in her right mind would leave a teenage daughter on my doorstep? A desperate one who's willing to make a deal with the devil. Note: This is the free prequel novella to the Bratva Royalty duet. Trigger warning: this book contains some traumas and scenes of violence. For fans of Natasha Knight, Julia Sykes, CD Reiss, Aleatha Romig, Skye Warren, Anna Zaires, Renee Rose, Carrie Ann Ryan, Penelope Ward, Lauren Blakely, Hannah Hill, Meghan March, Katee Robert. Topics: adult romance, alpha male, romantic suspense, romance series, bad boy romance, emotional read, contemporary romance, free romance books, mafia romance, novels for free romance, series books free, revenge romance, age gap romance, steamy romance books free.

In his debut book of poetry, McCulloch seeks to capture the different aspects of life. He writes about love, faith, relationships and takes the opportunity to reveal the vulnerable depths of his soul. McCulloch will stir your emotions. You will laugh, cry.....and just share his world.
