A comprehensive study guide offering in-depth explanation, essay, and test prep for the metaphysical poets, including Abraham Cowley, George Herbert, John Donne, and Henry Vaughn. These four poets are recognized for a greater emphasis on the spoken rather than lyrical quality of verse. As a collection of seventeenth-century poetry, these works portrayed a new perspective into English poetry by the innovative and originality of their approach. Moreover, they employed this new approach by their reliance on intellectual wit, imagery, and subtle argument. This Bright Notes Study Guide includes notes and commentary on literary
