Great managers lead by example, which makes manager interviews the perfect place to use behavioral job interview questions. Focus on more than the answers – use your gut. Many strong entry-level employees are eager to make management, but that doesn 't mean they'll be a good manager. Years of experience don 't make a great manager, either.

Although the study of cross-cultural pragmatics has gained importance in applied linguistics, there are no standard forms of assessment that might make research comparable across studies and languages. The present volume describes the process through which six forms of cross-cultural assessment were developed for second language learners of English. The models may be used for second language learners of other languages. The six forms of assessment involve two forms each of indirect discourse completion tests, oral language production, and self-assessment. The procedures involve the assessment of requests, apologies, and refusals.
