The "Heavenly Citizens" series serves as a tool to help the Christian understand not only what the Bible teaches us, but also how to study the Bible.

Explaining what

# Read Online Shoes In The

the Bible teaches is like giving someone a fish to eat. Teaching how to study the Bible is like teaching someone how to fish so they can feed themselves. Both approaches are essential to developing spiritual maturity. In the Book of Genesis we

development from creation to circa 1500 BC is narrated. The Tower of Babel, and the Lord's call of Abraham and establishment of the Hebrew people are studied in Book I. "Genesis Book I: Chapters 21-20" is the first book of Volume I in the

we continue  
Genesis by

accounts of Isaac

that of Jacob vs.  
Esau. In "Book III:

the sibling rivalry  
of Joseph and his

Lord's solution for  
sin in the world  
(the context). From  
this context we  
draw principles  
behind the Lord's  
solution, and then

# Read Online Shoes In The

we apply those principles to Christian living today. This is the approach for "Genesis" and for every volume in the "Heavenly Citizens" series. We teach the student the meaning of Scripture and we teach him or her how to study the

books the rules for Bible study. By walking through the Bible with us, the reader experiences firsthand what our method of study is like. We believe the student will come out of our studies with both an understanding of the Bible and the
