1 Introduction
The social sciences are the fields of scholarship that study society. "Social science" is commonly used as an umbrella term to refer to a plurality of fields outside of the natural sciences.

These include:

Where To Download Social Science Introduction Study

Sociology, anthropology, archaeology,
business administration,
communication, criminology,
economics, education, government,
linguistics, international relations,
political science, sociology and, in
some contexts, geography, history,
law, and psychology.
