Survival Scenarios and Exercises | Teaching Resources

A Survival Guide for Life, however, marks a noteworthy shift in Grylls's work in that it sets out survival strategies for 'dangerous' and difficult everyday situations. The book offers readers a pathway to a successful life, loosely defined through the metaphor of the dream. The book's opening paragraphs set out the case for dreams:

Chapter 1: Self-help worlds How to survive

Now, onto the survival guide: Modern day culture is notorious for overemphasizing work and achievement. Not everyone has the privilege of slowing down, so if you are able to do it, be curious about what slowing down means to you and reevaluate the pace at which your life normally flows.
