The Ancient Secret of the Swastika (Pt. 2 of 2) By Richard Cassaro April 2, 2012 Category: Featured Articles. The swastika, the ancient symbol of Hinduism, has been found abundantly on Neolithic European ruins during the past two centuries of archaeological excavations. This has convinced scholars, past and present, that prehistoric Europeans practiced an early form of Hinduism (with its high spiritual concepts of the Eternal Soul, Transmigration, Karma, Yoga, the Third Eye, and Nirvana).

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

Presents a series of short, yoga-like exercises, developed by Tibetan monks, reputed to reverse the physical and mental effects of aging

Legend has it that hidden in the remote reaches of the Himalayan mountains lies an ancient secret. There, generations of Tibetan monks have passed down a series of exercises with mystical, age-reversing properties. Known as the Tibetan Rites of Rejuvenation, or the Five Rites, these once-secret exercises are now available to us all in Ancient Secret of the Fountain of Youth by Peter Kelder. Beginning with an account of his own introduction to the rites by way of Colonel Bradford, a mysterious retired British army officer who learned of the rites while journeying high up in the Himalayas, Kelder then reveals to us the five ancient Tibetan rites that can make you feel and look younger. The philosophies in the book combine with the practical yoga-like positions of the rites and lifestyle/diet advice to provide you with the ultimate guide to preserving your youth. Taking just minutes a day to perform, benefits include increased energy, weight loss, better memory, new hair growth, pain relief, better digestion, and just feeling much more youthful!

all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation.

Sepher Yetzira is a second or third century Hebrew book that is considered to be the seminal work of Kabbalah because it is a mystical interpretation of the Old Testament's creation story, and Kabbalists delve beneath the surface of the Bible to understand the unspoken mysteries of how the world came to be. Ancient Secrets of Creation is a new translation and reinterpretation of Sepher Yetzira that provides the answers to questions about how God created the world, especially how the expression, "And God said" is used. Because of Sepher Yetzira's succinctness and the passage of time, its implicit meanings have been lost. However, this work provides a fresh understanding of Sepher Yetzira by rediscovering and clearly explaining those mathematical, scientific, philosophical, and theological foundations on which it rests. These include pertinent pre-Socratic Greek philosophies; the ideas of Plato, Plotinus, Iamblichus, Neopythagoreanism, and Neoplatonism; as well as the works of Philo of Alexandria, the Old Testament, and rabbinic understandings at the time that Sepher Yetzira was written. This translation and explication unlock the secrets hidden within the Hebrew-language text of Sepher Yetzira, the book that started Kabbalah.
