This alphabetically arranged guide offers homeopathic remedies for everyday health problems, describes ten case studies, and discusses the dos and don'ts to follow when treating an illness

A guide to the use of homeopathy in treating a wide range of complaints. The book includes treatments for: coughs, colds, flu and sore throats; childhood illnesses, such as mumps; food poisoning; a variety of accidents and injuries; and toothache, earache, headache and menstrual cramps.

The authors describe the history of homeopathy and offer illuminating case studies, specific remedies, and practical applications. Increasingly, the scientific and medical communities are accepting homeopathy as a legitimate complementary therapy--and this book stands as the most professional, up-to-date guide on the practice currently available.

A Homeopathic Handbook of Natural Remedies offers the most succinct and up-to-date information available on homeopathy, a method of healing that works by stimulating the body's natural defenses. Laura Josephson provides an overview of the healing principles and history of homeopathy, clear guidelines for identifying and treating symptoms, and instructions for preparing and stocking your home kit. In addition to homeopathic first aid treatment for such ailments as back pain, puncture wounds, eye injuries, fractures, and insect bites, the book outlines remedies for a wide range of everyday complaints, including allergies, coughs, colds, flu, fevers, digestive problems, headaches, PMS, earaches, insomnia, jet lag, and more. A separate section deals specifically with childhood conditions. Also included is an extensive resource directory of homeopathic pharmacies and a list of articles and other publications that provide further information.

Effective, safe, affordable, and free of chemical side effects--the benefits of homeopathy are endless! Already established in the national health care systems of England, France, and the Netherlands, homeopathic treatments are used by over five hundred million people worldwide. Alan Schmukler's Homeopathy discusses the history and science of this alternative medicine and provides a comprehensive list of proven remedies--safe for people and animals. Packed with homeopathic treatments for arthritis, colds, food poisoning, insomnia, Lyme disease, morning sickness, wounds, and a host of other ailments and injuries, this handy reference guide also includes information on homeopathic immunization and first aid. Schmukler gives helpful instructions for matching remedies with symptoms, ingesting them correctly, making remedies at home, and stretching your supply. Praise: "This book is a joy to read, easy to understand, comfortable to use. Whether you are a neophyte or an old-hand in your knowledge of homeopathy, you will benefit from having this book in your library. It is one of the most comprehensive acute care books on the market." LILIPON Magazine "Schmuckler's handbook is a comprehensive modern look at the 200 most commonly used remedies that should help satisfy everyone's health questions through homeopathy." Alive Magazine "Heaven forbid we should find ourselves responding to a life-threatening or cataclysmic event, but if we did, this book would be a godsend! Alan believes homeopathy is 'magical, exciting, and empowering.' Having his book, already dog-eared and visibly well-loved, certainly makes me feel empowered!" Homeopathy Today

Provides information about homeopathic medicine, including what it is, how it works, what it can be used for, how to incorporate it into conventional treatment programs, and how to find a homeopath.
