REVIEW - 'The Devil All the Time' (2020) | The Movie Buff

"The Devil All the Time" is the excellent adaptation of the deliciously nasty and viciously grim novel from Donald Ray Pollock, who also narrates the film. This is the kind of southern pulp that grabs its audience by the hair and places them among the violent nature of its characters, all the while weaving a down-home gothic tale soaking in religiosity. But this is far from the wistful more >

The Devil All the Time by Donald Ray Pollock

In "The Devil All The Time", we are introduced to a number of characters who have an unhealthy obsession with either religion, sex or violence (and occasionally a combination of all three). It's an original and well-written story and moves along at a fast pace, before reaching an inevitable, bloody climax.

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his 'prayer log.' There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

****NOW A MAJOR NETFLIX FILM STARRING TOM HOLLAND AND ROBERT PATTINSON**** 'Some people were born just so they could be buried' In Knockemstiff, Ohio, war veteran Willard can't save his beautiful wife, Charlotte, from a slow death by cancer no matter how much sacrificial blood he pours on his 'prayer log'. Carl and Sandy Henderson, a husband-and-wife team of serial killers, trawl America's highways searching for suitable models to photograph and exterminate. Preacher Roy and his crippled virtuoso-guitar-playing sidekick are running from the law. And caught in the middle of all this is Arvin, Willard and Charlotte's orphaned son, looking for answers.... may or may not exist. It's 1634, and Samuel Pipp's, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With Pipp's imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. For fans of Steven King, *The Devil and the Dark Water* brings a chilling new spin to the Sherlock Holmes detective duo in a thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.

From Donald Ray Pollock, author of the highly acclaimed *The Devil All the Time* and *Knockemstiff*, comes a dark, gritty, electrifying (and, disturbingly, weirdly funny) new novel that will solidify his place among the best contemporary American authors. It is 1917, in that sliver of border land that divides Georgia from Alabama. Dispossessed farmer Pearl Jewett ekes out a hardscrabble existence with his three young sons: Cane (the eldest; handsome; intelligent); Cob (short; heavy set; a bit slow); and Chimney (the youngest; thin; ill-tempered). Several hundred miles away in southern Ohio, a farmer by the name of Ellsworth Fiddler lives with his son, Eddie, and his wife, Eula. After Ellsworth is swindled out of his family's entire fortune, his life is put on a surprising, unforgettable, and violent trajectory that will directly lead him to cross paths with the Jewetts. No good can come of it. Or can it? In the gothic tradition of Flannery O'Connor and Cormac McCarthy with a healthy dose of cinematic violence reminiscent of Sam Peckinpah, Quentin Tarantino and the Coen Brothers, the Jewetts and the Fiddlers will find their lives colliding in increasingly dark and horrific ways, placing Donald Ray Pollock firmly in the company of the genre's literary masters.

"More engaging than any new fiction in years." —Chuck Palahniuk An unforgettable work of fiction that peers into the soul of a tough Midwestern American town to reveal the sad, stunted but resilient lives of its residents. *Knockemstiff* is a genuine entry into the literature of place. Spanning a period from the mid-sixties to the late nineties, the linked stories that comprise *Knockemstiff* feature a cast of recurring characters who are irresistibly, undeniably real. A father pumps his son full of steroids so he can vicariously relive his days as a perpetual runner-up body builder. A psychotic rural recluse comes upon two siblings committing incest and feels compelled to take action. Donald Ray Pollock presents his characters and the sordid goings-on with a stern intelligence, a bracing absence of value judgments, and a refreshingly dark sense of bottom-dog humor.

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

Times are changing, and we must stay in God's timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you.

Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain.

'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER "Take my word for it, James Reece is one rowdy motherf***er. Get ready!"
"Chris Pratt, star of The Terminal List, coming to Amazon Prime "They're great, man. They lock you in. They're gripping." "Joe Rogan, on the Terminal List series The fourth thriller in the "so powerful, so pulse-pounding, so well-written" (Brad Thor, #1 New York Times bestselling author) Terminal List series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11, two decades since the United States was attacked on home soil and set out to make the guilty pay with their lives. In the shadows, the enemy has been patient—learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary—but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the United States and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), The Devil's Hand is a riveting and timely thriller that will leave you gasping for breath.
