and cyber crime*

Online Library

The Internet

Action How Fraud

Online fraud,
also known as
cyber crime,
covers all
crimes that:
take place
online; are
committed using
computers, or;
are assisted by
online
technology; To
reduce your

Online Library

The Internet

chances of becoming a victim: use a strong password or passphrase, which is at least 12 characters long and contains a mixture of letters, numbers and symbols

Nate Anderson

Home / Police.uk

Here is what
some of our
police partners
say about us:

“The abuse and
exploitation of
children over
the internet is
an abhorrent
crime. The scale

Online Library

The Internet

and complexity of offending means that this is a problem that law enforcement agencies cannot tackle alone and the support of our partners is vital.

*How we work with
the police /*

Online Library

The Internet

Internet Watch

Foundation

Crime has become very

sophisticated as

some criminals make use of the

very latest

technology. To

handle this, the

police have

developed

equally

sophisticated

Online Library

The Internet

methods of crime detection and prevention.

Legislation has also been updated to allow the police to gather evidence on criminal activity carried out via the internet, for example.

Information is

Online Library

The Internet

the key word in
crime detection
and this
information must
be accurate and
easily
available.
