The Lincoln Persuasion: Remaking American Liberalism ...

"This book offers a major reinterpretation of American political ideas. J. David Greenstone recovers the strand of positive liberty, both as fact and as norm, within American liberalism; he shows the inadequencies of the negative liberty perspective in dealing with slavery; and he reinterprets the Lincoln within the positive liberty tradition.

"The central element in the Lincoln persuasion is a half-secular, half-religious drive for redemption, a reformist politics aware of its limit. Lincoln's genius, Greenstone avers, was his ability to fashion out of the crisis of the union a solution which began to realize the nation's original promise of freedom. . . . a sustained tour de force which illuminates a good piece of American history.
