As one would expect from a lady of Colleen's reputation, this novel upholds her status as a leading author with no reservations of any kind. It is a different approach to the old Troy saga, and is well worth a read. Sadly, Colleen passed away recently, a great loss to the world of literature.

"The Song of Troy" (1998) is a forceful retelling of the Trojan War Epic. The author writes each chapter as told from a different main

## Get Free The Song Of Troy Colleen Mccullough

character: from Priam to Hector; from Achilles to Agamemnon and from Helen to Hecuba.

It was a clash of arms that would echo through the millennia: a hard-fought conflict born of love, pride, greed and revenge; a decade-long siege of the ancient world's greatest city from which nobody will escape unscathed. As urgent and passionate as if told for the first time, international bestseller Colleen McCullough breathes life into legend, swinging our sympathies from Greece to Troy and back again as they move inexorably towards a fate not even the gods themselves can avert. Here are Greek princess Helen, sensuous and self-indulgent, who deserts a dull husband for the sake of the equally self-indulgent Trojan prince Paris; the haunted warrior Achilles; the heroically noble Hektor; the subtle and brilliant Odysseus; Priam, King of Troy, doomed to make the wrong decisions for the right reasons; and Agamemnon, King of Kings, who consents to the unspeakable to launch his thousand ships, incurring the terrifying wrath of his wife, Klytemnestra. THE SONG OF TROY: A legend reborn.

In the long, fabled history of Rome, never was there one more adored

-- yet more feared -- than Gaius Julius Caesar. Invincible on the field of battle, he commands the love and loyalty of those who fight at his side and would gladly give their lives for his glory. Yet in Rome there are enemies everywhere orchestrating his downfall and disgrace. Fanatical rivals like Cato and Bibulus would tear Rome asunder just to destroy her greatest champion -- using their wiles, position, and false promises to seduce others into the fold: vacillating Cicero, the spineless Brutus ... even Pompey the Great, Caesar's former ally. But only ill fortune can come to the "Good Men" who underestimate Caesar. For Rome is his glorious destiny -- one that will impel him reluctantly to the banks of the Rubicon ... and beyond, into triumphant legend.

Colleen McCullough's sparkling, romantic sequel to Jane Austen's *Pride and Prejudice*.

PART FOUR OF THE TROY QUARTET Bringing ancient myth to life with passion, humour, and humanity, Lindsay Clarke vividly retells the story of Troy and of the heroes who fought there.

With incomparable storytelling skill, New York Times bestselling author Colleen McCullough brings Rome alive in all her majesty—and

## Get Free The Song Of Troy Colleen Mccullough

illuminates the world of those favored by the gods at birth. In a time of cataclysmic upheaval, a bold new generation of Romans vied for greatness amid the disintegrating remnants of their beloved Republic. They were the chosen...and the cursed—blessed with wealth and privilege yet burdened by the dictates of destiny in a savage struggle for power that would leave countless numbers crushed and destroyed. But there was one who would tower above them all—a brilliant and beautiful boy whose ambition was unparalleled, whose love was legend, and whose glory was Rome's: a boy they would one day call "Caesar."

With extraordinary narrative power, New York Times bestselling author Colleen McCullough sweeps the reader into a whirlpool of pageantry and passion, bringing to vivid life the most glorious epoch in human history. When the world cowered before the legions of Rome, two extraordinary men dreamed of personal glory: the military genius and wealthy rural "upstart" Marius, and Sulla, penniless and debauched but of aristocratic birth. Men of exceptional vision, courage, cunning, and ruthless ambition, separately they faced the insurmountable opposition of powerful, vindictive foes. Yet allied they could answer the treachery of rivals, lovers, enemy generals, and senatorial vipers with intricate and merciless machinations of their own—to achieve in the end a bloody and splendid foretold destiny . . . and win the most

coveted honor the Republic could bestow.

To the battle-broken soldiers In her care, nurse Honour Langtry is a precious, adored reminder of the world before war. Then Michael Wilson arrives under a cloud of mystery and shame to change everything. A damaged and decorated hero, a man of secrets and silent pain, soon he alone possesses Honour's selfless heart -- inciting tense and volatile passions that can only lead to jealousy, violence, and death.

In her new book about the men who were instrumental in establishing the Rome of the Emperors, Colleen McCullough tells the story of a famous love affair and a man whose sheer ability could lead to only one end -- assassination. As *The October Horse* begins, Gaius Julius Caesar is at the height of his stupendous career. When he becomes embroiled in a civil war between Egypt's King Ptolemy and Queen Cleopatra, he finds himself torn between the fascinations of a remarkable woman and his duty as a Roman. Though he must leave Cleopatra, she remains a force in his life as a lover and as the mother of his only son, who can never inherit Caesar's Roman mantle, and therefore cannot solve his father's greatest dilemma -- who will be Caesar's Roman heir? A hero to all of Rome except to those among his colleagues who see his dictatorial powers as threats to the

## Get Free The Song Of Troy Colleen Mccullough

democratic system they prize so highly, Caesar is determined not to be worshiped as a god or crowned king, but his unique situation conspires to make it seem otherwise. Swearing to bring him down, Caesar's enemies masquerade as friends and loyal supporters while they plot to destroy him. Among them are his cousin and Master of the Horse, Mark Antony, feral and avaricious, priapic and impulsive; Gaius Trebonius, the nobody, who owes him everything; Gaius Cassius, eaten by jealousy; and the two Brutuses, his cousin Decimus, and Marcus, the son of his mistress Servilia, sad victim of his mother and of his uncle Cato, whose daughter he marries. All are in Caesar's debt, all have been raised to high positions, all are outraged by Caesar's autocracy. Caesar must die, they decide, for only when he is dead will Rome return to her old ways, her old republican self. With her extraordinary knowledge of Roman history, Colleen McCullough brings Caesar to life as no one has ever done before and surrounds him with an enormous and vivid cast of historical characters, characters like Cleopatra who call to us from beyond the centuries, for McCullough's genius is to make them live again without losing any of the grandeur that was Rome. Packed with battles on land and sea, with intrigue, love affairs, and murders, the novel moves with amazing speed toward the assassination itself, and then into the ever more complex and dangerous consequences of that act, in which the very fate of Rome is

## Get Free The Song Of Troy Colleen Mccullough

at stake. The October Horse is about one of the world's pivotal eras, relating as it does events that have continued to echo even into our own times.

Acclaimed author Margaret George tells the story of the legendary Greek woman whose face "launched a thousand ships" in this New York Times bestseller. The Trojan War, fought nearly twelve hundred years before the birth of Christ, and recounted in Homer's Iliad, continues to haunt us because of its origins: one woman's beauty, a visiting prince's passion, and a love that ended in tragedy. Laden with doom, yet surprising in its moments of innocence and beauty, Helen of Troy is an exquisite page-turner with a cast of irresistible, legendary characters—Odysseus, Hector, Achilles, Menelaus, Priam, Clytemnestra, Agamemnon, as well as Helen and Paris themselves. With a wealth of material that reproduces the Age of Bronze in all its glory, it brings to life a war that we have all learned about but never before experienced.

New York Times bestselling author Colleen McCullough re-creates an extraordinary epoch before the mighty Republic belonged to Julius Caesar—when Rome's noblewomen were his greatest conquest. His victories were legend—in battle and bedchamber alike. Love was a

## Get Free The Song Of Troy Colleen Mccullough

political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius, general, patrician, Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold-hearted mistress he could never dare trust. Caesar's women all knew—and feared—his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his fate.
