This guide for parents of school-age children with Down syndrome begins where Kumins previous book Early Communication Skills leaves off. The author, a speech-language pathologist with more than thirty years of experience, and a popular presenter at parent and professional conferences, provides a comprehensive overview of speech and language issues that come into play at home, school, and in the community from kindergarten through middle-school years. She covers a wide range of abilities from kids who are scarcely verbal to those with strong communication skills and provides many case studies to illustrate typical problems and how to work through them. HELPING CHILDREN WITH DOWN SYNDROME COMMUNICATE BETTER explains the factors that comprise speech and language and points to the areas that can be more difficult for children with Down syndrome. Parents learn about the evaluation process the requirements defined by special education law; how to advocate for testing, as well as details about the evaluation itself and what it can reveal. Chapters on treatment options detail how speech-language pathologists can help children improve specific skills, and offers dozens of home activities, games and practical ways to teach skills during daily tasks such as cooking or shopping. Treatment also focuses on fine tuning skills necessary for different settings school, home and the community how to improve conversational skills, and when to consider assistive technology (communication boards, sign language, and picture communication systems). This practical, user-friendly guide gives parents the knowledge and confidence

they need to help their child communicate better.

From the New York Times bestselling author of the Sweetbriar Cove series comes a romantic stand-alone novel about passion, ambition, and epic first love. Annalise thought she knew what she wanted in life. Training in the beautiful city of Rome for the performance of a lifetime, she thought her destiny was set. Then she met a handsome stranger in the street, and everything changed. Raphael is bold, passionate, and seductive. He sees something in Annalise that she never dreamed possible, and now he's determined to show her a world beyond rules -- a dance without limits. The dance of love. An innocent dancer. A mysterious stranger. As Annalise is drawn deeper into the romantic delights of Rome, she'll question everything she believed about her future. But with opening night looming, can she find the strength to risk it all? And will she be forced to choose between her one true love, ballet, and the new passion in her heart? Find out in the swoon-worthy stand-alone novel from Melody Grace! (Note: With Every Heartbeat was previously published in serial form as the Dirty Dancing series. It has been re-edited and collected into one standalone volume) PRAISE FOR MELODY GRACE: "Melody Grace created fascinating characters that are simply I-R-R-E-S-I-S-T-I-B-L-E ! Her stories leave you with a big smile on your face and a heart bursting with love." - A Bookish Escape Blog "Breathtakingly intense and unbelievably sexy - WITH EVERY HEARTBEAT will have you packing your bags for Italy to go find a real-life Raphael. Another sizzling must-read from Melody Grace!" -- Lauren Blakely, NYT bestselling author of Playing With Her Heart and Trophy Husband. "This book is fiery, hot, intense and will leave you wanting more by this fabulous author." -- Romance Raider Book Reviews "WITH EVERY HEARTBEAT will touch your heart and stir your blood." -- Monica Murphy, NYT Bestselling author of One Week Girlfriend and Second Chance Boyfriend. "With Every Heartbeat had everything I look for in a book: likeable characters, enticing plot, angst, first love, and steam....oh the steam! 5 stars." -- Kelli's Book Blog. "Melody Grace has crafted a sweeping and emotional romance that pulls you in so deep, you won't ever want to surface. It's that good." -- Sawyer Bennett, USA Today bestselling author of the OFFSIDES series.

A lone robot investigates an abandoned planet. What happened to the inhabitants? Who were they?

TO MY OUT OF SHAPE FRIEND, You have come to the right place. The information in this book contains exact knowledge on: how to build more muscle than ever before, and maintain muscle mass permanently. If you learn how, and apply what you learn, you will achieve just as the title reads- guaranteed! KNOW that an unhealthy physique or excess body fat accumulation did not automatically occur... everything has a cause. Note: Regardless of how out of shape, overweight, old, young, or failed in previous attempts- if you know exactly what builds muscle, learn how to burn body fat, and how to maintain muscle mass from deterioration, you can achieve the results you desire in a fairly short time. Bodybuilding is difficult, but not complicated...IF YOU KNOW HOW. Chances are that you have been programmed with the wrong information for years, which lead to an overweight/out of shape physique. There is tons of information on bodybuilding. Why do only a selective few achieve the physique they desire? There are 3 reason why 9/10 people fail to build muscles. 1) Don't know how, or the information they apply is incorrect or incomplete which leads to zero results, frustrations and giving up all together. 2) Commitment. 3) Desire a muscular and cut physique but don't want to diet and exercise. To prove point #1, ask your self the question: "What happens inside the body to build muscles?" If you don't know-SUPER! Because you will learn exactly what builds muscles, and how to how to maintain muscle mass in this short, yet powerful book. Point #2 Commitment and consistency. In order to commit to a program for 10-12 full weeks, you must have a strong reason why. Ask yourself "why do I want to build more muscle than ever before, and maintain muscle mass permanently?" And your answer(s) will lead to commitment and persistence. And point #3 Without diet and exercise, it is impossible to achieve a muscular physique! NOTE: This program does not contain cutting out all carbohydrates, or eating a bunch of animal meat, or chugging down endless protein shakes that leads to dead end after dead end- none of this nonsense. The information in this book has been tested on myself, and others whom achieved outstanding results without harming the body. However, this program is drastically different than what you may be used to. And requires the participant to spend \$150 - \$200 on NATURAL supplements to successfully complete the 10-12 week program. If you do not experience change after the 8 week completion- 100% money back guaranteed! Included in this program: Bonus #1: 10% off all supplements. Bonus #2: complete gym workout routine that will burn all excess body fat completely. Bonus #3: best home workout and receive even more updates from Nekoterran. However, be warned. This program is not a quick fix, requires 10 - 12 weeks of dedication, and a lot of work from your part. If you cannot agree to the following: Spend \$150- \$200 on Natural supplements Own a gym membership Willing to lift weights Make dietary changes Dedicate yourself for 10-12 weeks to the program (however you will experience results sooner) Approach the program with an open mind, be open to new methods, and new ideas Try a new/different approach to bodybuilding Enjoy a muscular physique permanently If you cannot commit to the above points 100%, DO NOT PURCHASE THIS PROGRAM.This is not a program for you! If you agreed to all the points above, prepare for a permanent change. Available for a limited time for only \$21.99! Click on the "Buy now with 1-Click."

Kankanaey: A Role and Reference Grammar analysis Describing an Austronesian language of the northern Philippines, this volume breaks new ground by analyzing the ergative grammar of Kankanaey within the framework of Role and Reference Grammar (RRG). The topics range from word formation to phrases, clauses, and sentences. At each of these levels, the analysis covers constituent structure as well as modifiers ("operators" in RRG). The semantic structure that underlies Kankanaey surface structure is explored; connections are traced between that semantic structure and both nominal case marking and verbal voice marking. Information structure (topics and focus on new information) affects clause and sentence constructions, and RRG is shown to be a useful model in integrating this aspect of grammar into a holistic description. This volume should serve as a reference and model for those who would like to use RRG theory to inform their own language research. ... presents a rich and insightful description of the morphosyntax of this previously undescribed language, and it illustrates well the value of Role and Reference Grammar as a framework for grammatical description. It is a significant contribution to the study of Philippine languages." Robert D. Van Valin, Jr., Heinrich-Heine University, Dusseldorf Janet Allen and her family lived in various Kankanaey-speaking communities under the auspices of SIL Philippines between 1975 and 1996. She received a Ph.D. in linguistics from Heinrich-Heine University in Dusseldorf, Germany in 2011, and is currently on the faculty of the Graduate Institute of Applied Linguistics in Dallas, Texas.
