Many years ago the senior jujitsu leadership within USJA formed a separate Jujitsu Division. This was done as the general requirements, processes, etc. were deemed to be distinctly different from judo and thus should have their own managing body. Furthermore, it was done as a means to highlight and promote the practice and study of jujitsu.

USJA Jujitsu Manual | Checkmate Martial Arts®

Our current Jujitsu manual (which is not intended to all inclusive) contains almost 200 different defenses that could be used against a variety of attacks. While it is not necessary to see each technique, it is important to see that the person being tested understands the principles that cause these techniques to work.

A manual specific for the USJA Jujitsu Division, where emphasis is focused on the traditional form of Jujutsu. Only available directly from USJA Store.

This a compendium of the world's greatest council of Grandmasters. These Grandmasters both past and present represent an amazing history of the martial arts. It contains their bios told as they want it heard and seen along with pictures past and present of these Grandmasters. The WHFSC World Head of Family Sokeship Council brings together Grandmasters and Sokes from every style of martial arts to a yearly meeting, with an awards dinner, Hall of Fame and seminars sessions given by the Grandmasters themselves. Included in the book are some of the upcoming masters in the martial arts.

Who's Who In The Martial Arts Legends Edition 2017 Who's Who in the Martial Arts Autobiography Book Volume 3 We Proudly Pay Tribute to Grand Master Jhoon Rhee and Extend Our Great Gratitude for His Life of Dedication and Service to So Many in the Martial Arts World. Many great Martial Artists have lost the chance to tell their life story. We want to preserve and share their journey with the world through the Who's Who in the Martial Arts Book. This autobiographical publication serves as a history book for today's Martial Artists. It is an essential guide for learning the history of our martial arts pioneers who have paved the way for today's martial arts. The book features over 250 martial artists sharing their journey, hard work, and personal achievements. Without the help and support of Grandmaster Jeff Smith and Joe Corley, this book would not have been possible.

BECAUSE NOT ALL KRAV MAGA IS THE SAME TM Israeli krav maga is the official self-defense system of the Israel Defense Forces. Krav maga training shares the same principles for civilians, law enforcement, and military personnel alike to deliver them from harm's way. Goals however, are different for law enforcement and military personnel. This book is designed for security-conscious civilians, law enforcement officers, military personnel, and security professionals alike who want to improve their chances of not just surviving an armed attack, but increase the odds of prevailing without serious injury. Krav maga's popularity in professional law enforcement, military, and security circles is attributable to its practicality, simplicity, quick retention, easy learning curve, and brutal effectiveness. This effectiveness is built on a few core tenets and simple building blocks. General principles are applied and customized to suit the needs of a dynamic violent situation. Contents include: Mind-sets, reactions, and tactics in response to violence The highest-level counters against multiple armed attacks and threats Core kick, clinch, and tackle defenses Core ground survival tactics Multiple-opponent strategies and tactics Impact weapon defenses Edged weapon defenses Firearm disarms and retention Includes 954 detailed photographs The most up-to-date tactics presented in this book focus on the most common violent scenarios. These techniques derive from the author's translation of the Israeli Krav Maga Association (IKMA) curriculum. The IKMA is the governing body for krav maga, recognized by the Israeli government and headed by Grandmaster Haim Gidon. Responsible people seek krav maga training as a shield against violence.
