Avian and exotic practice. From teaching, I moved into my current position as senior avian and exotic nurse at Great Western Exotics, in the multidisciplinary Vets Now Referrals hospital in Swindon, Wiltshire. I thoroughly enjoy my role here as it offers the opportunity to get hands-on with complicated exotic cases using cutting-edge techniques.

The book I read this summer was Veterinary Nursing Of Exotic Pets, Second Edition, by Simon J. Girling. This book was published on March 31st, 2003 and is a nonfiction book. This book covers the proper surgical, testing, and restraining needs of any exotic species within the categories of rodents, avians, and reptiles within a veterinary clinic or hospital.
